Chester Netball Club Summer League 2010 Rules

1. Rules

All games will be played to the AENA/IFNA rules.

All players taking part in the league must be affiliated to All England Netball.

Players may only play for one team on a given night. If a player is found to be playing for second team on any given night the non-offending team will be awarded the match and 20 goals (as per non arrival/forfeit). Full match fees will still be payable by both teams.

2. Duration of Matches

All games will consist of two halves of 12 minutes with 2 minutes for half time. Timing will be controlled centrally with a hooter. Games start and re-start on the umpires whistle.

3. Start of Play

All teams must be ready for play at the time stated, with no less than 5 players on court. If a team arrives late on court, for each minute late the opposition will be awarded 2 goals, if they are on court and in position to play at the correct time. If after 5 minutes the late team is not on court, then the game will be given to the opposition (see note 4). The umpires will be responsible for the timing of the above.

Players arriving late can join the game in a vacant position after a goal is scored and with the permission of the umpires.

Captains should toss for centre pass before the start of the game and notify the umpires of the result.

4. Non Arrival or Forfeit of Match

If a team does not arrive at all, then the match will be forfeited and the non offending team will be awarded 20 goals.

Any teams who decide to cancel a fixture independently must contact their opposing team and the Chester Netball Club committee. The non-offending team will gain the full points for the match and 20 goals.

For either non arrival or forfeit, match fees will still be charged and the team responsible for cancelling/not arriving will have to pay for both teams' court costs (£28).

5. Injury or Illness

No time will be allowed for injury or illness. If a player has to retire, a substitution may take place in accordance with AENA rules.

6. Substitutions

Substitutions can only be made in the case of an injury or at half time.

7. Weather

Matches are played outdoors, however fixtures will only be cancelled in case of severe weather. This decision will be made by the committee.

If you think that the fixture might be cancelled, please telephone Mona Tomlinson on 01244 343076 before 5:30pm on the evening of the fixture.

8. Scoring

Points for fixtures will be awarded as follows:

- a. WIN 5 points
- b. DRAW 3 points
- c. Losing team will score 1 point for 50% or more of the winners score

9. Results

League results will be displayed each week at the money payment area.

If teams are on equal points at the conclusion of the season, the winner will be decided using goal average (goals scored for/goals scored against).

10. Umpires

Chester Netball Club will provide umpires. **Please remember that the umpires decision is final.**

11. Equipment

The first named club is responsible for bringing a match ball (size 5).

12. Fees

Teams must pay on a weekly basis unless otherwise agreed with the Chester Netball Club committee.

A £10 entry fee is payable for entry into the Summer League which is non-refundable.

Notes:

Chester Netball Club will adjudicate on all matters not covered by these rules.

We hope that the league will run as smoothly as it has done in the past, and you continue to enjoy our summer league.
