

## Chester Netball Club Training Details for 2009 / 2010 Season

Training for the winter season will take place in the Sports Hall at the Cheshire County Sports Club, except for U19's who will train at Wirral Grammar School. Training will start inside on Tuesday 1<sup>st</sup> September and will run through until end April 2010. Arrangements for training through half terms and Christmas and Easter Holidays will be communicated by individual coaches.

Fees will now include the cost of outdoor training to cover the months of May and June 2010. We are hoping to obtain sponsorship to provide all players with a training t-shirt in the early part of the season.

In the meantime all players should wear plain navy shorts and a blue t-shirt for training.
